Ohio Academy of  
Periodontists  
2019 Annual Meeting

Saturday  
October 12<sup>th</sup>, 2019

Featuring

**Dr. Sonia Leziy**

"Trends that are  
Changing Planning and  
Treatment in Periodontics and  
Implant Dentistry"

## Course Description

### “Trends that are Changing Planning and Treatment in Periodontics and Implant Dentistry”

#### Learning Objectives:

- Learn how digital planning is changing the surgical and restorative landscape, and the impact that face-in planning and intraoral scanning will have on the success of the periodontal practice
- Understand the role of new soft tissue grating procedures, material alternatives, and where they apply
- Investigate procedural advances that improve the handling characteristics of biologics and enhance the host response
- Appreciate the why, when and how behind immediate treatment surgical and restorative protocols

## About the Speaker

### Sonia Leziy, DDS, FCDS, FRCD

**Dr. Sonia Leziy**, periodontist, maintains a full-time practice in Vancouver British Columbia.

She is a clinical associate professor at the University of British Columbia. She was awarded the Lucy Hobbs Award for mentorship in 2013, the Saul Schluger Award for excellence in teaching and education in 2014; she is recognized by Dentistry Today as a leader in continuing education. She is the Executive VP of Clinical Affairs for the Seattle Study Club. She is a member of numerous editorial boards, and is published in the areas of implant esthetics. She lectures extensively nationally and internationally, and provides hands-on education programs through Elatus Dental Bio-Architecture.
